MEMORANDUM FOR: Acting Deputy Director of Security (P&M)  
ATTENTION : Chief, Plans, Programs Branch  
SUBJECT : Office of Security Assistance to and  
Arrangements with USIB Agencies and  
Departments

1. Reference is made to the Director of Security's request to the Deputy Director for Management and Services, dated 10 May 1974, for approval to render routine assistance to and enter into arrangements with the agencies and departments of USIB. Reference also is made to questions concerning this request raised by the Inspector General in a memorandum dated 28 May 1974. The questions pertained to the type of security equipment loaned to USIB agencies and departments and to the make-up of the USIB Community.

2. In response to your request, the following comments are offered for your consideration:

- a. While the PSI Directorate does not lend security equipment to USIB agencies and departments, it would appear that the type of equipment which would be loaned to them by the Office of Security would consist of safekeeping equipment, alarm equipment,

- b. The USIB Community, in our view, consists of any or all of the component parts of the Department of State, Defense Intelligence Agency, National Security Agency, Atomic Energy Commission, Federal Bureau of Investigation, Department of the Treasury, as well as the Intelligence arms of the Army, Navy and Air Force, with whom there is a necessity for conducting day to day business of common interest.

3. In addition to the conduct of business between the Office of Security and the USIB Community, we feel that the additional question of certain assistance to non-USIB agencies should be raised. Examples of what we have in mind in this regard are Denied Area Briefings given by SSD to personnel from non-USIB agencies and departments who:

- a. Hold compartmented clearances
- b. Hold Agency clearances and have access to Agency classified information
- c. Hold no Agency clearances but have specifically requested (usually through their security officers) such briefings.

4. Please advise this Office if you desire any additional information.
